(Ray Savell)

OPENER / CLOSER: Sides Face, Grand Square

I'm Gonna Take You down to the River Side, Where the Water Runs Slow and Wide. There's a Big Ol' Rock out in the Middle, and I Took My Hammer and Chisel, Four Ladies **Chain** You Turn That Girl, **Chain**, 'Em Back **Promenade** the World. I Carved Your Name Right next to Mine, and It'll Be There 'Til the End of Time.

FIGURE:

Heads (Sides) Square Thru Go Four Around, **Dosado** the One You Found, **Swing Thru**, **Girls Fold**, **Peel the Top**, **Go Right and Left Thru**, **All Roll Away**, and Then **Turn Thru**, **Swing** Your Corner **Promenade**. Want You to Know What I Feel for You, Is Written in Stone.

MIDDLE: Sides Face, Grand Square

There's a Place on the Edge of Town, When I Was a Kid I Found, Two Names on a Stone Together, Lying Side by Side Forever, Four Ladies **Chain** You Turn and Go, **Chain**, 'Em Back **Promenade** You Know, I'd Surely Wanna Write it Down, on Something That Would Be Around.
