Down by the river on a Friday night, **Swing** that lady, **Promenade** tonight. Talking 'bout cars and dreamin' 'bout women. Never had a plan, just livin' for the minute.

FIGURE:

Head (Side) Couples **Square Thru** it's four hands you go now. Round that corner lady, **Dosado**. You'll **Swing Thru**, and then the **Boys Run Right**. **Half Tag** the line and **Scot Back**, go boys. **Boys Run to the Right**, everybody **Slide Thru**, now **Swing** that corner, **Promenade** that ring.
